

Nutega and Novation join CCPA

The French group CCPA has acquired a majority stake in the capital of Spanish companies Nutega and Novation based in Madrid and Arcos de Jalon.

"This operation is part of our international development strategy," Laurent Roger, Export Sales Director, told International Pig Topics.

Nutega and its Novation subsidiary are major Spanish companies, specialising in the manufacture of premixes for animal feed, pre-starter feed, nutritional specialties and additives, with a turnover of €30 million.

"We have very complementary activities with CCPA Group," added Andrés Ortiz, CEO of Nutega and Novation.

"Our corporate cultures are very close, with a strong focus on innovation and customer services but also a total commitment to guarantee the quality and efficiency of our nutritional solutions. Thus, numerous synergies will facilitate the collaboration between teams for future developments."

The management team in place will continue to manage Nutega and Novation, headed by Andres Ortiz.
